

Construire un monde urbain durable

The ICLEI Montréal Commitment and Strategic Vision 2018 - 2024

*building a just and sustainable
future for all citizens of this world*

An aerial photograph of a city, likely Taipei, taken from a high vantage point. The city is densely packed with buildings, and the foreground shows green trees. The sky is filled with dramatic, golden clouds from a low sun, creating a warm, sunset atmosphere. A teal-colored rectangular box is overlaid at the top of the image, containing white text.

Nous vivons dans une ère urbaine.
